Mr. Karmarkar is reading a newspaper, spending leisure time with his wife and daughter on a Sunday morning. He reads about the recent market uncertainties.

"Uncertainty grips markets amid second wave of covid"

These are some uncertain times...

True, but we are prepared. So there's no need to worry.

Things to Know

Papa what is uncertain?

Pihu
remember when you were
learning how to ride your
bicycle?

Yes!
And I fell,
and Chintu laughed
at me!

Haha yes!
When you were learning,
we were not sure
if you would ride or fall-
this was uncertain.

But
we could make sure that
you were protected and
did not get hurt.
Do you know how?

Ummmm....
My helmet?

Correct!
And you know how we have
power cuts at unknown times?

Yes! It was annoying
when i had to miss my
favorite cartoons before we had
an interverter (inverter)

Correct!!

And now inverter protects
your cartoon shows
from uncertain power cuts!

I also need protection
from uncertainty,
I don't want surprise tests
in school.
