PLAN OPTIONS

Following options are available under the plan where the premium will vary depending upon the option chosen:

1 **Life**

Under this option, the life assured is covered for death benefit during the policy term, which can be accelerated in the case of diagnosis of terminal illness.

2 **Life Plus**

Under this option, the life assured is covered for death benefit, which can be accelerated in the case of diagnosis of terminal illness. An additional amount will be payable in case of accidental death during policy term.

3 **Life Goal**

Under this option, the sum assured payable on death would vary with the policy year, in accordance with the 'Level Cover Period' and 'Amortisation Rate' as chosen by the policyholder.

The policyholder can choose any one of the above options, 1, 2 & 3 at the outset.

BENEFITS PAYABLE UNDER VARIOUS PLAN OPTIONS

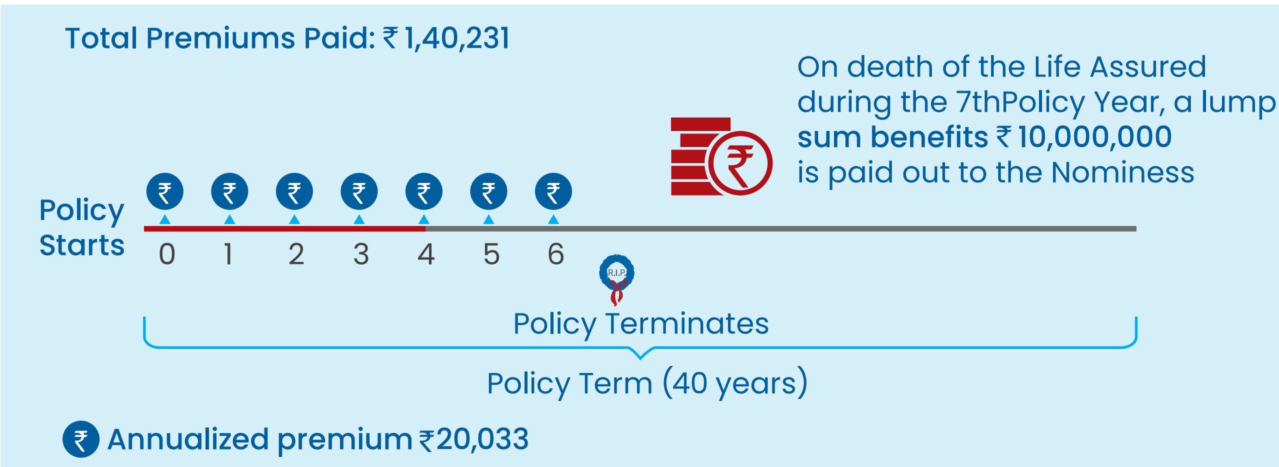
1. Life Option:

Under this option, the life assured is covered for death benefit during the policy term, which can be accelerated in the case of diagnosis of terminal illness.

The policy could be purchased on a single life basis or Spouse Cover could be opted for as well. For details on the Spouse Cover, please refer to 'Spouse Cover option' section.

Example: Mr. Bansal, a 35 years old gentleman, buys the Option A of Life Option of HDFC Life Click 2 Protect Super for a policy term of 40 years, regular pay, and avails a level cover of INR 1,00,00,000 by paying a premium of ₹ 20,033 annually (excluding taxes).

Mr. Bansal passes away in the 7th **policy year. His nominee will receive a lump sum benefit** of ₹ 1,00,00,000.



Death Benefit:

"Death Benefit" is payable as a lump sum if life assured dies during the policy term. It is the higher of:

- Sum Assured on Death × SA Factor applicable in the policy year of death
- 105% of Total Premiums Paid

SA Factor will be based on the option chosen by the policyholder:

<table>
<tr><th>Option</th><th>SA Factor</th></tr>
<tr><td>A</td><td>Equal to 100% throughout the policy term</td></tr>

In the event of any claim for Terminal Illness or under any additional options chosen, there will be no further change in SA Factor and the same will remain level throughout the outstanding policy term.

Sum Assured on Death for Single Pay (SP) is the highest of:

- 125% of Single Premium
- Sum Assured on Maturity
- Basic Sum Assured

Sum Assured on Death for Other than Single Pay (Limited Pay and Regular Pay) is the highest of:

- 10 times of the Annualized Premium
- Sum Assured on Maturity
- Basic Sum Assured

Where,

a) Annualized Premium is the premium amount payable in a year chosen by the policyholder, excluding taxes, rider premiums, underwriting extra premiums and loadings for modal premiums, if any.
b) Total Premiums Paid are the total of all the premiums received, excluding any extra premium, any rider premium and taxes. Where additional options have been selected, Total Premiums Paid includes premium paid for base option as well as the premium paid for additional options selected.
c) Sum Assured on Death is the absolute amount of benefit which is guaranteed to become payable on death of the life assured in accordance with the terms and conditions of the policy or an absolute amount of benefit which is available to meet the health cover.
d) Basic Sum Assured is the amount of sum assured chosen by the policyholder.
e) Sum Assured on Maturity is the amount which is guaranteed to become payable on maturity of the policy, in accordance with the terms and conditions of the policy.

Terminal Illness Benefit:

Sum Assured on Death, up to a maximum of Rs. 2 Cr. will be accelerated in case of diagnosis of terminal illness during the policy term as mentioned below. In case of diagnosis of terminal illness at ages greater than 80 years, death benefit will not be accelerated.

Upon payment of Terminal Illness benefit:

a) If Death Benefit at the time of claim is equal to Terminal Illness benefit, the policy will terminate. Or,
b) If Death Benefit at the time of claim is greater than Terminal Illness benefit, the policy will continue for the balance death benefit.

Please note that acceleration of death benefit is not an additional benefit; it only facilitates an earlier payment of death benefit on prior diagnosis of terminal illness.

A life assured shall be regarded as terminally ill only if that life assured is diagnosed as suffering from a condition which, in the opinion of two independent medical practitioners' specializing in treatment of such illness, is highly likely to lead to death within 6 months. The insured must not be receiving any form of treatment other than palliative medication for symptomatic relief. The terminal illness must be diagnosed and confirmed by medical practitioners registered with the Indian Medical Association and approved by the Company. The Company reserves the right for independent assessment.

Maturity Benefit:

On survival until Maturity, Sum Assured on Maturity will be payable, which will be equal to 100 % of the Total Premiums Paid, if Return of Premium option is selected, Nil otherwise.

2. Life Plus Option

Under this option, the life assured is covered for death benefit, which can be accelerated in the case of diagnosis of terminal illness. An additional amount will be payable in case of accidental death during policy term.

The policy could be purchased on a single life basis or Spouse Cover could be opted for as well. For details on the Spouse Cover, please refer to 'Spouse Cover option' section.

Death Benefit:

"Death Benefit" is payable as a lump sum if life assured dies during the policy term. It is the higher of:

- Sum Assured on Death
- 105% of Total Premiums Paid

Sum Assured on Death for Single Pay (SP) is the highest of:

- 125% of Single Premium
- Sum Assured on Maturity
- Basic Sum Assured

Sum Assured on Death for Other than Single Pay (Limited Pay and Regular Pay) is the highest of:

- 10 times of the Annualized Premium
- Sum Assured on Maturity
- Basic Sum Assured

Accidental Death Benefit:

In addition to death benefit as defined above, an amount equal to Sum Assured on Death will be payable in case of accidental death.

In case the event which has caused death due to an Accident occurred during the Policy Term and death occurs after the Policy Term but within 180 days from the date of Accident, the Accidental Death Benefit shall be payable.

Terminal Illness Benefit:

Death benefit would be accelerated on diagnosis of specified terminal illnesses. In case of diagnosis of terminal illness at ages greater than 80 years, death benefit will not be accelerated. Please note that acceleration of death benefit is not an additional benefit; it only facilitates an earlier payment of death benefit on prior diagnosis of terminal illness.

A life assured shall be regarded as terminally ill only if that life assured is diagnosed as suffering from a condition which, in the opinion of two independent medical practitioners' specializing in treatment of such illness, is highly likely to lead to death within 6 months. The insured must not be receiving any form of treatment other than palliative medication for symptomatic relief. The terminal illness must be diagnosed and confirmed by medical practitioners registered with the Indian Medical Association and approved by the Company. The Company reserves the right for independent assessment.

Maturity Benefit:

On survival until Maturity, Sum Assured on Maturity will be payable, which will be equal to 100% of the Total Premiums Paid, if Return of Premium option is selected, Nil otherwise.

3. Life Goal Option

Under this option, the sum assured payable on death would vary with the policy year, in accordance with the 'Level Cover Period' and 'Amortisation Rate' as chosen by the policy-holder.

The policyholder can choose:

1. Level Cover Period – This is initial policy year(s) during which life cover would remain level. The Level Cover Periods can be chosen subject to the following conditions:
   (a) In case of Limited Pay policies, the Level Cover Period should be at least equal to the PPT.
   (b) In case of Limited Pay as well as Single Pay policies, Policy Term less Level Cover Period should be at least equal to 5 years.
2. Amortization Rate – This is the rate at which life cover would reduce post the Level Cover Period. The policyholder can choose any rate between 0% and 20% p.a (both inclusive).

The policy will start with a SA Factor of 100% in the first policy year and at the end of

<u>During Level Cover Period</u>
SA Factor(t) = 100%

<u>Post Level Cover Period - If Amortization Rate is equal to 0%</u>
SA Factor(t) = SA Factor(t-1) – (1 ÷ Reduction Term)

<u>Post Level Cover Period - If Amortization Rate is greater than 0%</u>
SA Factor(t) = SA Factor(t-1) × (1+ Amortization Rate) – Amortization Rate ÷ (1 – 1 ÷ (1 + Amortization Rate) ^ Reduction Term)

Where,

- t = policy year
- Reduction Term = Policy Term - Level Cover Period

A policy will not be issued if the Death Benefit in any policy year falls below the minimum required amount as per IRDAI (Insurance Products) Regulations, 2024, as modified from time to time. The below table gives SA Factors for a few sample cases at the end of every policy year:

Level Cover Period	0 years	5 years	5 years	10 years

Death Benefit:

"Death Benefit" is payable as a lump sum if life assured dies during the policy term. It is equal to the Sum Assured on Death, which is calculated as:

Basic Sum Assured × SA Factor applicable in the policy year of death

Maturity Benefit:
NIL

Additional benefits available under the Product:

1) Return of Premium (ROP) Option

If this option is chosen, policyholder will have to pay an additional premium over and above that payable for the base plan and he/she will receive a return of 100% of the

Total Premiums paid as lump sum, upon survival till maturity.

This additional option can be chosen only at policy inception and will be available only where:
Life Goal Option has not been selected

All policy terms between 10 and 40 years for Single, Regular and 5 Pay.

All policy terms between 15 and 40 years for 6, 7, 8, 10 and 12 Pay.

Policy Term is between 20 and 40 years for Premium Paying Term – 15 years.

Policy Term is between 25 and 40 years for Premium Paying Term – 20 years.

Policy Term is between 30 and 40 years for Premium Paying Term – 25 years.

To avail this option, additional premium shall be payable. Once chosen, the policy holder doesn't have the option to opt out of this benefit.

2) Waiver of Premium on CI (WOP CI) Option

If this option is selected, all future premiums payable under the plan will be waived, if the life assured is diagnosed with any of the covered critical illnesses and the life cover, accidental death cover

(if applicable) and terminal illness cover (if applicable) continues.

This option can be chosen only at policy inception and will be available only where premium payment term is other than Single Pay.

To avail this option, additional premium shall be payable. Once chosen, the policy holder doesn't have the option to opt out of this benefit.

3) Waiver of Premium on Total and Permanent Disability (WOP Disability) Option

If this additional option is selected, all future premiums payable under the plan will be waived, in case of occurrence of total and permanent disability and the life cover, accidental death cover (if applicable) and terminal illness cover (if applicable) con tinues.

This option can be chosen only at policy inception and will be available only where premium payment term is other than Single Pay.

To avail this option, additional premium shall be payable. Once chosen, the policy holder doesn't have the option to opt out of this benefit.

4) Spouse Cover Option

If this additional option is selected, then upon the Life assured's death:

- The spouse will get a death benefit cover equal to a chosen percentage of the life assured's basic sum assured for the outstanding policy duration. This chosen per centage shall be subject to the BAUP with a maximum cap of 50%.
- Any future premiums, if payable under the contract, shall be waived off.

How it works!
In the event of unfortunate death of the Life Assured, the sum assured on death will be paid out to nominee. The spouse cover will then start and shall be equal to a chosen percentage of the life assured's basic sum assured, as opted at policy inception. This spouse cover will be in addition to the death benefit payable on the life assured's death. In case of the death of spouse before the death of life as sured, the spouse cover will terminate and no additional benefits shall be payable.

Other conditions applicable for this benefit

- This option can be selected only at inception
- This option is not available with Life Goal option
- Life Assured should be married and age difference between Life Assured and spouse should be maxi mum 10 years
- Availability of this additional option will be subject to the BAUP
- Once opted for, the policyholder doesn't have the option to opt out of this benefit

This additional benefit/coverage will not be paid/granted under the following situations and the policy will terminate:

- In the event of the occurrence of simultaneous death of the life assured and spouse or death of the spouse arising directly or indirectly due to the same event which caused the death of the life insured.
- If the spouse has attained the age of 75 years at the time of death of the life assured.
- In case of death of spouse due to suicide within 12 months from the date of death of life assured
- In case of death of life assured due to suicide within 12 months from the date of commencement of risk of the policy or the date of revival of the policy, whichever is later

To avail this option, additional premium shall be payable.

5) Death benefit as Instalment Option

If this option is selected, the nominee will receive full or part of the death benefit in instalments.

- The conditions for choosing this option:
  This option can be chosen by the policyholder at policy inception or by the nominee at the time of claim.

- This option can be opted for full or part of death claim proceeds payable under the policy. The instalment can be taken over a chosen period of 5 to 15 years

The instalment shall be paid in advance based on the frequency chosen by the nomnee or the policy holder, which can be either yearly, half-yearly, quarterly or monthly. The instalment amount shall be calculated such that the present value of the instal ments, using a given interest rate, shall equal the amount of death benefit chosen to be taken as instalments under the policy. This amount shall be a level amount and once chosen by the nominee shall remain fixed over the instalment period.

The interest rate used to compute the instalment amount shall be equal to the annualized yield on 10 year G-Sec (over last 6 months & rounded down to nearest 25bps) less 25 basis points. The interest rate shall be reviewed half-yearly and any change in the interest rate shall be effective from 25th February and 25th August each year. The interest rate shall be revised every time there is a change, as per the above formula. In case of a revision in interest rate, the same shall apply until next revision. The source of 10-year benchmark G-sec yield shall be RBI Negotiated Dealing System-Order Matching segment (NDS-OM).

At any time during the instalment payment phase, the nominee can choose to terminate the instalment payment in exchange for a lump-sum, in which case, the lump-sum payable shall be equal to the discounted value of all the future instalments due. The interest rate used to calculate the discounted value will be that as applicable on date of termination, using the above mentioned formula.

No additional premium is payable for this option.

6) Option to alter premium frequency

The policyholder has the option to alter the premium frequency during the premium payment term.

7) Option to change Premium Payment Term from Regular Pay to Limited Pay

Under this option, the policyholder can choose to convert the outstanding regular premiums into any limited premiums period available under the product.

Such alterations shall be in accordance with the BAUP and the premium rates under such circumstances shall be charged as filed under the product.

8) Renewability Option at Maturity

At maturity, the policyholder can choose to extend the term of their policy. This option can be exercised a maximum of five times and its availability is subject to BAUP. The additional premium payable for the extended term will be based on the following:

- Attained age at the time of maturity
- The chosen increase in policy term
- The “incremental” table instead of the applicable table during the original policy term.

This option will be available only where:

- Premium payment term is Regular Pay
- Additional Options of Return of Premium (ROP) or Waiver of Premium on CI (WOP CI) or Waiver of Premium on Total and Permanent Disability (WOP Disability) or Spouse Cover have not been selected
- Life Option (Variant A) or Life Plus Option has been selected

9) Life Stage Option

This option will have to be selected at inception. The policyholder may opt to increase the Sum Assured without underwriting on any of the below specified events in the life of the life assured:

- 1st Marriage: 50% of Basic Sum Assured subject to a maximum of ₹ 50 lakhs
- Birth of 1st child: 25% of Basic Sum Assured subject to a maximum of ₹ 25 lakhs
- Birth of 2nd child: 25% of Basic Sum Assured subject to a maximum of ₹ 25 lakhs

This option will be available only where:

- Life Option or Life Plus Option has been opted and is subject to BAUP.
- The Life Assured is less than 45 years of age at the time of the above mentioned events.
- The Life Assured is underwritten as a standard life at policy inception.
- This option can only be exercised within a period of six months from the date of the above specified events.
- An additional premium will be charged for the increase in the Sum Assured.
- The premium rate applicable, for the additional Sum Assured shall be as per the premium table "Incremental". This premium rate shall be based on the age attained and outstanding policy term at the time of the exercise of option. The availability of this option shall be subject to applicable boundary conditions under the product.
- The premium rates applicable shall be those applicable as at policy inception.
- This option shall be available only if no claim has been made under the policy.
- If any rider is attached to the policy and the rider benefit has been paid during the
- policy term, then this option cannot be exercised.

10) Parent Secure Option

This option will have to be selected at inception. Under this option, the policyholder may opt for death benefit to be payable as instalments to the nominee. The instalment shall be payable as regular payouts till at least one nominee is alive. There can be a maximum of two nominees under this option.

The death benefit as instalments will be payable, for the nominee (s) will be pre-defined by the company as a fixed percentage of the Death Benefit, as specified below:

Entry Age of Nominee*	1 Nominee	2 Nominee	1 Nominee	2 Nominee
50 to 64 years	7.00%	6.00%	0.56%	0.48%
65 years & above	8.00%	7.00%	0.64%	0.56%

*Younger nominee in case there are two nominees

This option can be chosen only at Policy inception. Once chosen, the Policyholder cannot opt out of this option.

This option is available only where:

- Life Option has been selected.
- The nominee can be either your parent(s)/grandparent(s).
- Age of each nominee (s) is 50 years or above. In case, two nominees are opted for, the age of younger nominee will be considered.
- Policy term is between 15 to 40 years.
- Death benefit as Installment option has not been selected.
- Spouse Cover Option and Life Stage Option have not been selected.

In case of death of nominee (s) before Life Assured & death of Life Assured occurs during policy term, then death benefit as lump sum will be payable to legal heir of Life Assured.

The payout will cease on the death of nominee (s). In case of any change in nominee, this option shall immediately terminate.

The instalment will be paid in advance at the monthly or yearly frequency as specified by the Policyholder. The instalment amount will be calculated basis the age of the nominee (s), Basic Sum Assured and number of nominees chosen.

At any time during the instalment payment phase, the nominee cannot terminate the instalment payment in exchange for a lump-sum.

No additional Premium is payable for this option.

NON PAYMENT OF PREMIUMS

Grace Period is the time provided after the premium due date during which the policy is considered to be in-force with the risk cover. This plan has a grace period of 30 days for yearly, half yearly and quarterly frequencies from the premium due date. The grace period for monthly frequency is 15 days from the premium due date.

Should a valid claim arise under the policy during the grace period, but before the payment of due premium, we shall still honor the claim. In such cases, the due and unpaid premium for the policy year will be deducted from any benefit payable.

Paid-Up

A policy will acquire a paid-up value only:

- Where Return of Premium is selected with Limited Pay/Regular Pay, and
- When premiums are paid for at least 1 full year and after completion of first policy year

In all other cases, the policy lapses on premium discontinuance without any paid-up value.

If a policy has acquired paid-up value and stops paying premiums:

(i) **Death benefit shall be the highest of:**

- *Sum Assured on Death × SA Factor^ × (Total Premiums Paid ÷ Total Premiums Payable)*
- *105% of Total Premiums Paid*

^ Where SA Factor is:

-The SA Factor applicable in the policy year of death where Life Option has been chosen

-Equal to 1 in all other cases

(ii) **Accidental Death benefit (where applicable) shall be calculated as**

Sum Assured on Death × (Total Premiums Paid ÷ Total Premiums Payable)

(iii) **Maturity Benefit (where applicable) shall be calculated as:**

Sum Assured on Maturity × (Total Premiums Paid ÷ Total Premiums Payable)

(iv) Surrender benefit shall be calculated as shown below.

SURRENDER / UNEXPIRED RISK PREMIUM VALUE

Where Return of Premium Option has been selected

Guaranteed Surrender Value (GSV) gets acquired immediately upon payment of premium in case of Single Pay and upon payment of premiums for at least 2 years in case of Limited Pay/Regular Pay.

The Company may pay a surrender value higher than the GSV in the form of a Special Surrender Value (SSV).

SSV shall become payable after completion of first policy year provided one full year premium has been received for Limited/Regular Pay and immediately on the receipt of single premium for Single Pay

Surrender Value will be the higher of Guaranteed Surrender Value (GSV) and Special Surrender Value (SSV).

Where,

GSV = GSV Factor% × Total Premiums Paid

SSV shall be calculated as the expected present value of:

i) Paid-up guaranteed future benefits on death, survival/maturity and

ii) accrued / vested benefits, duly allowing for survival benefits already paid, if any

The discount rate used to calculate the expected present value shall be equal to the yield on 10 Year G-Sec plus 50 basis points.

Currently, the interest rate used for calculating the expected present value is 7.75% p.a.

The discount rates shall be reviewed at least once annually and in case of any significant movement in the yields. The revised discount rates shall apply to all policies including the policies already sold.

<u>Where Return of Premium Option has not been selected</u>

Policy cancellation value (i.e. Unexpired Risk Premium value) gets acquired immediately upon payment of premium in case of Single Pay and upon payment of premiums for at least 1 full year and after completion of first policy year in case of Limited Pay. In all other cases, the policy lapses on premium discontinuance without any value.

Policy cancellation value (if acquired) shall be payable:

- Upon death of the life assured during revival period, or
- At the end of the revival period if the policy is not revived

The amount payable will be as below:

PCV Factor × Total Premiums Paid[1]*× Unexpired Policy Term*[2] *÷ Original Policy Term*

Where, PCV Factor is as follows:

Policy Year	PCV Factor
During PPT or if all due premiums have not been paid	30%
Post PPT if all due premiums have been paid	50%

1 If the policyholder has exercised the option to change premium payment term, Total Premiums Paid will include premiums paid only from the date of converting to Limited Pay and Original Policy Term will be the outstanding policy term on the date of converting to Limited Pay.

2 Unexpired Policy Term shall be calculated on the earlier of date of surrender and the date till which premiums have been paid.

SMART EXIT BENEFIT

The policyholder has an option to receive Smart Exit Benefit, equal to Total Premiums Paid** under the policy. No additional premium is payable to avail this option.

This option can be exercised by cancelling the policy subject to the following conditions:

- This option can be exercised in any policy year greater than 30, but not during the last 5 policy years.
- The policy has to be in-force at the time of exercising this option.
- This option shall not be available where:
  - Life Goal option has been selected
  - Where Return of Premium option has been selected

** If the policyholder has exercised the option to change premium payment term, Total Premiums Paid will include premiums paid only from the date of converting to Limited Pay.

REVIVAL

Yes, If the Policy has been discontinued due to the non-payment of Premium, it may be revived/ restored by the Insurer with all the benefits mentioned in the Policy document, with or without rider benefits, if any, upon the receipt of all the Premiums due and other charges/late fee, if any, during the revival period, as per the terms and conditions of the Policy, upon being satisfied as to the continued insurability of the insured/Policyholder on the basis of the information, documents and reports furnished by the Policyholder; in accordance with Board approved Underwriting Policy. The current rate of interest is 9.5% p.a.

The application for the revival should be made within five years from the due date of the first unpaid Premium and before the expiry of the Policy Term. Once the Policy is revived, you are entitled to receive benefits as per the Policy.

The revival interest shall be reviewed half-yearly and it will be reset to: Average Annualized 10-year benchmark G-Sec Yield (over last 6 months & rounded up to the nearest 50 bps) + 2%. The change in revival rate shall be effective from 25th February and 25th August each year. Any change on basis of determination of interest rate for revival will be done only after prior approval of the Authority.

Once the policy is revived, you are entitled to receive all contractual benefits.

On receipt of the letter along with the original policy document (original Policy Document is not required for policies in dematerialised or where policy is issued only in electronic form), we shall refund the premium, subject to deduction of the proportionate risk premium for the period on cover, expenses incurred on medical examination of the proposer and stamp duty charges.

E) An underwriting extra premium may be charged in case of Sub-standard lives and Smokers as per our prevalent Underwriting policy.

F) Policy Loan:

You cannot avail any loans under this Policy.

G) Nomination as per Section 39 of the Insurance Act 1938 as amended from time to time:

(1) The policyholder of a life insurance on his own life may nominate a person or persons to whom money secured by the policy shall be paid in the event of his death.

(2) Where the nominee is a minor, the policyholder may appoint any person to receive the money secured by the policy in the event of policyholder's death during the minority of the nominee. The manner of appointment to be laid down by the insurer.

(3) Nomination can be made at any time before the maturity of the policy.

(4) Nomination may be incorporated in the text of the policy itself or may be endorsed on the policy communicated to the insurer and can be registered by the insurer in the records relating to the policy.

(5) Nomination can be cancelled or changed at any time before policy matures, by

an endorsement or a further endorsement or a will as the case may be.

(6) A notice in writing of Change or Cancellation of nomination must be delivered to the insurer for the insurer to be liable to such nominee. Otherwise, insurer will not be liable if a bonafide payment is made to the person named in the text of the policy or in the registered records of the insurer.

(7) Fee to be paid to the insurer for registering change or cancellation of a nomination can be specified by the Authority through Regulations.

(8) A transfer or assignment made in accordance with Section 38 shall automatically cancel the nomination except in case of assignment to the insurer or other transferee or assignee for purpose of loan or against security or its reassignment after repay ment. In such case, the nomination will not get cancelled to the extent of insurer's or transferee's or assignee's interest in the policy. The nomination will get revived on repayment of the loan.

(9) The provisions of Section 39 are not applicable to any life insurance policy to which Section 6 of Married Women's Property Act, 1874 applies or has at any time applied except where before or after Insurance Laws (Amendment) Act 2015, a nomination is made in favour of spouse or children or spouse and children whether or not on the face of the policy it is mentioned that it is made under Section 39. Where nomination is intended to be made to spouse or children or spouse and children under Section 6 of MWP Act, it should be specifically mentioned on the policy. In such a case only, the provisions of Section 39 will not apply.

H) Assignment as per Section 38 of the Insurance Act 1938 as amended from time to time:

(1) This policy may be transferred/assigned, wholly or in part, with or without consideration.

(2) An Assignment may be effected in a policy by an endorsement upon the policy itself or by a separate instrument under notice to the Insurer.

(3) The instrument of assignment should indicate the fact of transfer or assignment and the reasons for the assignment or transfer, antecedents of the assignee and terms on which assignment is made.

(4) The assignment must be signed by the transferor or assignor or duly authorized agent and attested by at least one witness.

(5) The transfer or assignment shall not be operative as against an Insurer until a notice in writing of the transfer or assignment and either the said endorsement or instrument itself or copy there of certified to be correct by both transferor and transferee or their duly authorized agents have been delivered to the Insurer.

(6) Fee to be paid for assignment or transfer can be specified by the Authority through Regulations.

(7) On receipt of notice with fee, the Insurer should Grant a written acknowledgement of receipt of notice. Such notice shall be conclusive evidence against the insurer of duly receiving the notice.

(8) The Insurer may accept or decline to act upon any transfer or assignment or endorsement, if it has sufficient reasons to believe that it is (a) not bonafide or (b) not in the interest of the policyholder or (c)not in public interest or (d) is for the pur pose of trading of the insurance policy.

(9) In case of refusal to act upon the endorsement by the Insurer, any person aggrieved by the refusal may prefer a claim to IRDAI within 30 days of receipt of the refusal letter from the Insurer.

Section G (Nomination) and H (Assignment or Transfer) are simplified versions prepared for general information only and hence are not comprehensive. For full texts of these sections please refer to Section 38 and Section 39 of the Insurance Act, 1938 as amended by The Insurance Laws (Amendment) Act, 2015.

I) Prohibition of Rebates: In accordance with Section 41 of the Insurance Act, 1938 as amended from time to time:

(1) No person shall allow or offer to allow, either directly or indirectly, as an induce ment to any person to take out or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy, nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published pro spectuses or tables of the insurer.

(2) Any person making default in complying with the provisions of this section shall be liable for a penalty which may extend to ten lakh rupees.

J) Non-Disclosure: In accordance with Section 45 of the Insurance Act, 1938 as amended from time to time:

(1) No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the policy, i.e., from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later.

(2) A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground of fraud: Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision is based.

(3) Notwithstanding anything contained in sub-section (2), no insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the mis-statement of or suppression of a material fact was true to the best of his knowledge and belief or that there was no deliberate intention to suppress the

fact or that such mis-statement of or suppression of a material fact are within the knowledge of the insurer: Provided that in case of fraud, the onus of disproving lies upon the beneficiaries, in case the policyholder is not alive.

(4) A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, which ever is later, on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued: Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision to repudiate the policy of life insurance is based: Provided further that in case of repudiation of the policy on the ground of misstatement or suppression of a material fact, and not on the ground of fraud, the premiums collected on the policy till the date of repudiation shall be paid to the insured or the legal representatives or nominees or assignees of the insured within a period of ninety days from the date of such repudiation.

(5) Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the Life Insured was incorrectly stated in the proposal.

K) In case of fraud or misstatement including non-disclosure of any material facts, the Policy shall be cancelled immediately and the Surrender Value shall be payable, subect to the fraud or misstatement being established in accordance with Section 45 of the Insurance Act, 1938, as amended from time to time.

L) This is not a comprehensive list of amendments of Insurance Laws (Amendment) Ordi nance, 2014 and only a simplified version prepared for general information. Policy Holders are advised to refer to Original
Ordinance Gazette Notification dated December 26 , 2014 for complete and accurate details.
