Sub: Impact of proposed changes relating to Dividend Distribution Tax by Finance Bill 2020-21

Dear Sir/Madam,

This intimation is in light of the recent amendment proposed in the Finance Bill 2020-21 with regard to abolishment of Dividend Distribution Tax (DDT)

Based on our estimates, the gross impact of the above change to our Indian Embedded Value ("IEV") and New Business Margins ("NBM") (without taking credit for the offset available under Section 80M of the Income Tax Act, 1961) would be as follows:

1) Reduction in IEV by approximately 1.3%
2) Reduction in NBM by approximately 0.7%

Were we to avail of the offset available as per the aforesaid Section 80M, the estimated net impact would be as follows:

1) Reduction in IEV by approximately 0.3%
2) Reduction in NBM by approximately 0.2%

This is for your information and appropriate dissemination.

Thanking you,

For HDFC Life Insurance Company Limited

Narendra Gangan
