C.4. Additional Optional Benefits

C.4.1. Supplement Annuity Option

Purchase of Additional Annuity is allowed for Existing Customer under this Policy.

- The prevailing annuity rate for revised purchase price slab and attained age of the annuitant(s) will be applicable for the additional purchase price.
- This will be subject to the product criteria prevailing then with respect to minimum & maximum Age at entry, minimum & maximum Deferment Period (if applicable). However, the minimum annuity instalment limits shall not be applicable for this option.
- This can be availed anytime during the policy term.
- The Policyholder will have a choice to match the timing of the supplement annuity with that of the base annuity. For example: if he opts for 10-year deferment period and pays supplement annuity after 2.5 years, then prevailing annuity rates for deferment period of 7 years and 8 years would be used to derive the annuity rate for 7.5 years.
- Each supplement annuity tranche will be treated as independent in its own right. Any supplement annuity tranche can be surrendered independent of the base policy or other supplement annuity tranches. Benefit payable on Death, Survival/Annuity or Surrender would be calculated separately for the base policy and each supplement annuity tranche and the total would be payable.

Provisions regarding Policy not being called into question in terms of Section 45 of the Insurance Act, 1938, as amended from time to time are as follows:

01. No Policy of Life Insurance shall be called in question **on any ground whatsoever** after expiry of 3 years from

- a. the date of issuance of Policy or
 - b. the date of commencement of risk or
 - c. the date of revival of Policy or
 - d. the date of Rider to the Policy
- whichever is later.

02. On the ground of fraud, a Policy of Life Insurance may be called in question within 3 years from

- a. the date of issuance of Policy or
 - b. the date of commencement of risk or
 - c. the date of revival of Policy or
 - d. the date of Rider to the Policy
- whichever is later.

For this, the insurer should communicate in writing to the insured or legal representative or Nominee or assignees of insured, as applicable, mentioning the ground and materials on which such decision is based.

- b. The active concealment of a fact by the insured having knowledge or belief of the fact;
- c. Any other act fitted to deceive; and

05. No Insurer shall repudiate a life insurance Policy on the ground of Fraud, if the Insured / claimant can prove that the misstatement was true to the best of his knowledge and there was no deliberate intention to suppress the fact or that such misstatement of or suppression of material fact are within the knowledge of the insurer. Onus of disproving is upon the Policyholder, if alive, or claimant.

09. The insurer can call for proof of Age at any time if he is entitled to do so and no Policy shall be deemed to be called in question merely because the terms of the Policy are adjusted on subsequent proof of Age of life insured. So, this Section will not be applicable for questioning Age or adjustment based on proof of Age submitted subsequently.
