**4. Free Look Cancellation**

In case the Policyholder is not agreeable to any of the terms and conditions stated in the Policy, the Policyholder has an option to return the Policy to the Company stating the reasons thereof, within 15 days from the date of receipt of the Policy. If the Policy has been purchased through Distance Marketing mode, this period will be 30 days. **a) Immediate Life Annuity Option (Single and Joint life option):**

There is no Surrender Benefit payable under this option.

**Immediate and Deferred Life Annuity with Return of Purchase Price (Single and Joint Life) Option:**

Surrender Value equal to the Present Value (PV) of expected future benefits the Policyholder would have received had he/she not surrendered the Policy.

PV is calculated using the following formula:

$F3 * (F1 * \text{Annuity amount p.a.} + F2 * \text{Purchase Price}) - \text{Annuity instalments paid during the year of surrender}$

F1, F2 and F3 are factors used to convert the expected future benefits to their Present Value which are calculated using the interest rate prevailing at the time of surrender + 2% .

For Deferred Life Annuity with Return of Purchase Price option, Guaranteed Surrender Value shall be the sum of Guaranteed Surrender Value and the surrender value of any Guaranteed Additions already attached to the policy. The Guaranteed Surrender Value shall be at least:

1. 75% of the Total Premiums paid\* less any survival benefits already paid, if surrendered any time within 3 policy year.
2. 90% of the Total Premiums paid\* less any survival benefits already paid, if surrendered from fourth year onwards.

\*Total Premium Paid means total of all the premium received, excluding any extra premium, any rider premium and taxes

#### **6. Additional clause for utilization of ROP option for NPS subscribers**

If this product is purchased as a default option by government sector NPS subscriber through funds accumulated in his/her NPS scheme, then upon the demise of such subscriber/annuitant, the annuity shall be re-issued to the family members in the order specified hereunder at a premium rate prevalent at the time of purchase of such annuity by utilizing the purchase price required to be returned under the annuity contract (until all the family members in the order specified below are covered):

- a. living dependent mother of the deceased subscriber
- b. living dependent father of the deceased subscriber

After the coverage of all the family members specified above, the purchase price shall be returned to the surviving children of the subscriber and in the absence of children, the legal heirs of the subscriber, as may be applicable

However, if the subscriber does not want to opt for the default option mentioned above and wishes to choose the annuity option of his choice from the available annuity types or contracts with HDFC Life, he/she has the option to do so at the time of purchasing the annuity
