In addition up to 20% of the Fund may be invested in cash and Money Market Instruments, Liquid Mutual Funds and Deposits to facilitate the day-to-day running of the Fund. c) Blue Chip Fund
The Blue Chip Fund aims to provide medium to long term capital appreciation by investing in a portfolio of predominantly large cap companies which can perform through economic and market cycles. The Fund will invest at least 80% of its assets in companies which have a market capitalization greater than the company with the least weight in BSE100 index. The Fund may also invest up to 20% in Money Market Instruments/Cash and Deposits.

d) Opportunities Fund

The Fund may also invest up to 20% in Money Market Instruments/Cash and Deposits.

e) Equity Plus Fund
The Equity Plus Fund aims at least 80% of the equity exposure to be limited to Nifty constituent stocks at any point in time and the balance of the equity exposure in non-Nifty constituent stocks.

f) Diversified Equity Fund
The Diversified Equity Fund aims to generate long term capital appreciation by investing in high potential companies across the market cap spectrum while taking active asset allocation calls in Equity, government securities, Money Market Instruments, Cash etc.

g) Bond Fund

The fund will invest up to 100% in mid-cap stocks which are defined as stocks with market cap falling within the market capitalisation range in the underlying benchmark Nifty free float midcap index (getting renamed as Nifty Midcap 100 index). The fund can also invest up to 25% of the portfolio in stocks falling outside the mid-cap index market cap range.    \]

   (3) The resulting price will be rounded to the nearest Rs. 0.0001. This price will be published on the Company’s website and the Life Insurance Council Website.

3) Provisions mean any of the following acts committed by the insurer, his agents or policyholders along with the intention to deceive the policyholder or to induce the insurer to issue a life insurance policy:

a. The suggestion, as a fact of that which is not true and which the insured does not believe to be true, b. The active concealment of a fact by the insurer having knowledge or belief of the fact. c. Any other act fitted to deceive; and d. Any such act or omission as the law specifically declares to be fraudulent.

4) Mere silence is not fraud unless, depending on circumstances of the case, it is the duty of the insurer or his agent keeping silence to speak or silence is in itself equivalent to speak.

5) No insurer shall repudiate a life insurance Policy on the ground of fraud, if the Insured / beneficiary or the insurer, based on his own prudence or the policy or any document basis which policy was issued or renewed or rider issued. 8) Premium should not be considered material unless it has a direct bearing on the risk undertaken by the insurer. The onus is on insurer to show that if the insurer had been aware of the said fact, no life insurance policy would have been issued to the insured.

9) The insurer can call for proof of age at any time if he is entitled to do so and no policy will be deemed to be called in question merely because the terms of the policy are
adjusted on subsequent proof of age of life insured. So, this Section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently.
