There will be a 15 day grace period after the Premium Due Date for the payment of each renewal premium after the initial premium. We will not accept part payment of the premium.
- (ii) If any premium remains unpaid 15 days after the Due Date, your Policy may Lapse or become Paid-Up, as described in Provision 6, with effect from the Due Date of the first unpaid premium.
- (iii) If premiums cease your Policy may acquire a surrender value, to be determined by us at our sole discretion.
- (iv) If, however, you pay premiums for a continuous period of 3 years, your Policy will acquire a guaranteed minimum surrender value, which will be calculated in accordance with Provision 5.
- (v) The frequency at which regular premiums are paid can be changed. If you have chosen Monthly premium payment frequency, you are required to pay the first 3 months premium along with the proposal form.

The premiums that are paid before the Due Date will be deemed to have been received on the Due Date for that Regular Premium respectively and no interest will be paid on such advance premiums.

5. Guaranteed Minimum Surrender Value

If you pay premiums for a continuous period of 3 years, the guaranteed minimum surrender value of your Policy, including the value of any attaching bonuses, will be:

- Zero in respect of premiums paid in the first year; and

These terms will involve a reduction in benefits and you will be informed accordingly.

Once your Policy is made paid-up it will cease to participate in profits and will not qualify for addition of any future bonus. Reversionary bonus attached to the policy on the date the policy is altered to paid-up status, will continue to be attached.

For a paid-up policy, the sum assured would reduce to paid-up sum assured. The paid-up sum assured will be sum assured multiplied by the ratio of the number of the premiums due and paid to the number of the premiums payable under the policy.

(ii) Reinstatement of Lapsed and Paid-Up policies

If your Policy has been paid-up or lapsed, it may be reinstated, subject to our consent and such terms and conditions as we may specify from time to time. The terms and conditions would include a minimum of providing satisfactory evidence of good health, payment of all outstanding premiums and interest on all outstanding premiums.

Provided that nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal.

11. Service Tax

As per the service tax laws, service tax is applicable on life insurance premium. Any indirect tax or statutory levy becoming applicable in future may become payable by you by any method we deem appropriate including by levy of an additional monetary amount in addition to the premium.
