As this price is not known at the time of the estimate of Partial Withdrawal Eligibility or the Partial Withdrawal request, a small margin over and above the minimum Fund Value is kept to ensure that the Unit Fund Value requirement after the Partial Withdrawal is not violated. Currently this margin is 5% of your Fund Value on the date of thePartial Withdrawal request or calculation. We may change this margin at any time without prior notification or approval from you.
      6. Following a Partial Withdrawal, the Policy continues to be in-force and all benefits under Part C and conditions remain unaltered.

In the event the age so admitted (“Correct Age”) during the Policy term is found to be different from the age declared in the Proposal, without prejudice to our rights and remedies including those under the Insurance Act, 1938 (as amended from time to time), we shall take one of the following actions (i) if the Correct Age makes the Life Assured ineligible for this policy, we will offer him suitable plan as per our underwriting norms. If you do not wish to opt for the alternative plan or if it is not possible for us to grant any other plan, the Policy will be cancelled from the date of issuance and the Fund Value will be returned and the Policyholder shall be entitled to the Fund Value as available on the date of death.
