## Loyalty Additions

The product offers loyalty addition at different points during the policy term.

Where extra units are allocated, the allocation between the funds will be in the same proportion as the value of total units held in each fund at the time of allocation.

All additions shall be applicable till the policy is in force and all due premiums have been paid. The additions will not be applicable for the charges deducted on additional top up premiums or to the top up fund value.

The different loyalty additions offered are detailed below:-

### A) Plan Option A: Growth

Below are the loyalty additions available in Plan Option A: Growth

#### a) Return of Mortality Charges (ROMC):

This will only be applicable where 'Classic Waiver Plus' is selected as death benefit option.

Under this loyalty addition, mortality charges (excluding extra mortality charges due to underwriting) deducted between a specified period will be returned back at maturity. This amount shall be payable along with the fund value at maturity.

The specified period will start from policy anniversary after the policyholder has attained age 56 years and provided at least 6 policy years are completed. The period shall continue till policy year in which the policyholder attains age 70 years.

In addition to conditions at start of section, ROMC will not be applicable in case of death claim under the policy.

#### b) High Death Benefit Multiple Booster:

This will be applicable only where 'Classic' is selected as death benefit option and provided the Death Benefit Multiple is greater than 30 times.

At the end of each month starting from policy year 11, a multiple (1X or 2X) of the mortality charge (excluding extra mortality charges due to underwriting) deducted in the policy month which is 120 months prior shall be added back to the fund. E.g. A multiple of mortality charge deducted in the 1<sup>st</sup> policy month shall be added back in the 121<sup>st</sup> month, multiple of mortality charge deducted in the 2<sup>nd</sup> policy month shall be added back in the 122<sup>nd</sup> month and so on until the end of the policy term. The multiple for return of mortality charge would vary depending on the policy year and is as given below:

Policy year	Return of Mortality Charge Multiple
11 to 20	1X
21 and above	2X

In addition, at the end of each policy year starting from policy year 21, 1.35% of Fund value shall be added back to the fund.

This loyalty shall be added to the fund in the form of allocation of extra units.

## **B) Plan Option B: Loyalty**

Below are the loyalty additions available in Plan Option B: Loyalty

### **a) Fund Value Enhancer:**

Loyalty additions as specified below, shall be added to the fund in the form of allocation of extra units every 5 year starting from the 10<sup>th</sup> year policy anniversary.

Policy Anniversary	Loyalty Addition
10-25	0.15% of Average Fund Value
26 and above	0.25% of Average Fund Value

The average fund value shall be calculated based on the fund values at the end of the policy month, for the immediately preceding 12 policy months.

### **b) Return of Policy Administration Charges**

Sum total of Policy Administration charges (excluding applicable taxes) collected till 25<sup>th</sup> policy year will be added to the fund in the form of allocation of extra units at the end of 25<sup>th</sup> year.

### **c) Return of Mortality Charges (ROMC):**

This will only be applicable where 'Classic Waiver Plus' is selected as death benefit option.

Under this loyalty addition, mortality charges (excluding extra mortality charges due to underwriting) deducted between a specified period will be returned back at maturity. This amount shall be payable along with the fund value at maturity.

The specified period will start from policy anniversary after the policyholder has attained age 56 years and provided at least 6 policy years are completed. The period shall continue till policy year in which the policyholder attains age 70 years.

In addition to conditions at start of section, ROMC will not be applicable in case of death claim under the policy.

### **d) High Death Benefit Multiple Booster:**

This will be applicable only where 'Classic' is selected as death benefit option and provided the

Death Benefit Multiple is greater than 30 times.

At the end of each month starting from policy year 11, a multiple (1X or 2X) of the mortality charge (excluding extra mortality charges due to underwriting) deducted in the policy month which is 120 months prior shall be added back to the fund. E.g. A multiple of mortality charge deducted in the 1<sup>st</sup> policy month shall be added back in the 121<sup>st</sup> month, multiple of mortality charge deducted in the 2<sup>nd</sup> policy month shall be added back in the 122<sup>nd</sup> month and so on until the end of the policy term. The multiple for return of mortality charge would vary depending on the policy year and is as given below:

Policy year	Return of Mortality Charge Multiple
11 to 20	1X
21 and above	2X

In addition, at the end of each policy year starting from policy year 21, 1.35% of Fund value shall be added back to the fund.

This loyalty shall be added to the fund in the form of allocation of extra units.

### C) Plan Option C: Loyalty Plus

Below are the loyalty additions available in Plan Option C: Loyalty Plus

#### a) Fund Value Enhancer:

Loyalty additions as specified below, shall be added to the fund in the form of allocation of extra units every 5 year starting from the 10th year policy anniversary.

Policy Anniversary	Loyalty Addition
10 and above	1% of Average Fund Value

The average fund value shall be calculated based on the fund values at the end of the policy month, for the immediately preceding 12 policy months.

#### b) Return of Policy Administration Charges

Sum total of Policy Administration charges (excluding applicable taxes) collected till 10th policy year will be added to the fund in the form of allocation of extra units at the end of the policy year as mention below.

Policy Term	% of Charges Allocated to Fund
15-19 Years	100% of Policy Admin Charge at the end of 15th year
>= 20 Years	100% of Policy Admin Charge at the end of 20th year

#### c). Return of Mortality Charges (ROMC):

Under this loyalty addition, 40% of mortality charges (excluding extra mortality charges due to underwriting) deducted during specified periods will be added back to the fund as per the below table.

Age Band for Mortality Charges	Age at Addition
Inception until - 60	Age 60
61 - 70	Age 70 or at waiver, if maturity is between age 61-70
71 - 80	Age 80 or at maturity, if maturity is between age 71-80
81 - 90	Age 90 or at maturity, if maturity is between age 81-90

## MORE DETAILS ON YOUR BENEFITS

### A. Maturity Benefit: Benefits payable at the end of your policy term

At maturity you will receive your Fund Value plus Return of Mortality Charges (if any). Fund Value will be calculated by multiplying balance units in your fund by the then prevailing unit price. Your policy matures at the end of policy term you have chosen. All your risk cover ceases at the end of policy term.

You can also take your fund value at maturity in periodical instalments under settlement option. The Fund Value at Maturity shall include the credited Loyalty Additions as applicable throughout the Policy Term.

Top Fund Value, if any will also be payable at Maturity.

Please refer Terms and Conditions section for more details.

### B. Death Benefit:

#### 1. Classic

On a valid death claim for a premium paying or a fully paid-up policy, the death benefit shall be the highest of:

- Sum Assured less partial withdrawals (as defined below) or
- Fund value or
- 105% of total premiums paid (excluding top up premium) up to the date of death

The partial withdrawals to be deducted from the death benefit shall be all partial withdrawals (except from the top-up fund value) made during the two year period immediately preceding the death of the Life Assured

For a reduced paid-up policy, the death benefit shall be the highest of:

- Paid up Sum Assured (less partial withdrawals as specified above) or
- Fund value or
- 105% of total premiums paid (excluding top up premium) up to the date of death

Please refer to Non-Forfeiture Benefits for further details.

In addition to the death benefit above, Top up death benefit if any, calculated as higher of Top up sum assured and Top up fund value shall also be payable.

Upon payment of the death benefit, the Policy shall terminate and no further benefits are payable.

#### 2. Classic Plus

On a valid death claim for a premium paying or a fully paid-up policy, the death benefit shall be the higher of:

- Sum Assured plus Fund value or
- 105% of total premiums paid (excluding top up premium) up to the date of death

For a reduced paid-up policy, the death benefit shall be the higher of:

- Paid up Sum Assured plus fund value or
- 105% of total premiums paid (excluding top up premium) up to the date of death

Please refer to Non-Forfeiture Benefits for further details.

In addition to the death benefit above, Top up death benefit if any, calculated as higher of Top up sum assured and Top up fund value shall also be payable.

Upon payment of the death benefit, the Policy shall terminate and no further benefits are payable.

### 3. Classic Waiver

This option is not available for Single Pay policies.

On a valid death claim for a premium paying or a fully paid-up policy, the death benefit shall be the higher of:

- Sum Assured or
- 105% of total premiums paid (excluding top up premium) up to the date of death

In addition, future premiums will be waived off by the Company and on each future premium due date(s), an amount equal to the modal premium, shall be credited to the Policyholder's Fund Value after deduction of applicable charges.

For a reduced paid-up policy, the death benefit shall be the higher of:

- Paid up Sum Assured or
- 105% of total premiums paid (excluding top up premium) up to the date of death

There will be no waiver of premium benefit for a reduced paid-up policy.

Please refer to Non-Forfeiture Benefits for further details.

In addition to the death benefit above, Top up death benefit if any, calculated as higher of Top up sum assured and Top up fund value shall also be payable.

The policy doesn't terminate on death, the Policy shall continue till maturity but all other risk benefits shall cease. Upon maturity, the maturity benefit shall become payable.

### 4. Classic Waiver Plus

This option is not available for single pay policies.

On a valid death claim for a premium paying or a fully paid-up policy, the death benefit shall be the higher of:

- Sum Assured or
- 105% of total premiums paid (excluding top up premium) up to the date of death

Please refer to Non-Forfeiture Benefits for further details.

In addition, future premiums will be waived off by the Company and on each future premium due date(s), an amount equal to the modal premium, shall be credited to the Policyholder's Fund Value after deduction of applicable charges.

#### **Monthly Income Benefit**

In addition to the lumpsum and waiver of premium benefit stated above, this option also offers an income benefit.

An Income Benefit equal to a percentage of the Sum Assured (excluding any additional Sum Assured in respect of Top-ups) will also be paid on policy anniversary date in each month following the date of death till the end of the Policy Term or the chosen Income Term, whichever comes earlier, subject to a minimum of 24 monthly payments. Both, Income percentage and Income Term will have to be chosen at inception.

In case of death of Life Assured with less than 24 months left till the end of Policy Term, there will be a Lump Sum payment of remaining instalments (24 less number of monthly instalments already paid) at end of the Policy Term.

For example, for a policy with Policy Term of 10 years, if the Life Assured dies at the end of the 9th policy year, then 12 monthly instalments each equal to the chosen % of Sum Assured (excluding

any additional Sum Assured in respect of Top-ups) will be paid at each monthly anniversary till the end of Policy Term and remaining 12 monthly instalments each equal to the chosen % of Sum Assured (excluding any additional Sum Assured in respect of Top-ups) will be paid on the date of maturity as a lumpsum amount.

The policyholder can choose Income benefit % from 0.5% to 2% and Income term can be between 5 to 20 years (both inclusive).

For a reduced paid-up policy, the death benefit shall be the higher of:

- Paid up Sum Assured or
- 105% of total premiums paid up to the date of death

There will be no waiver of premium benefit for a reduced paid-up policy.

For a reduced paid-up policy, Monthly Income Benefit shall be payable as a chosen % of applicable paid up Sum Assured (excluding any additional Sum Assured in respect of Top-ups).

In addition of the base death benefit above, Top up death benefit if any, calculated as higher of Top up sum assured and Top up fund value shall also be payable.

The policy doesn't terminate on death. The policy shall continue till maturity but all other risk benefits shall cease. Upon maturity, the maturity benefit shall become payable.

## NON-FORFEITURE BENEFITS

### A. Discontinuance of Premiums

#### Grace Period:

Under this plan you get a grace period from your premium due date to pay your premiums. This plan has a grace period of 15 days for monthly mode and 30 days for other modes. During the grace period, the policy is considered to be in-force with the risk cover without any interruption.

#### Discontinuance of the policy during lock-in period

##### For other than single premium policies

- Upon expiry of the grace period, in case of discontinuance of policy due to non-payment of premium, the fund value after deducting the applicable discontinuance charges, shall be credited to the discontinued policy fund and the risk cover and rider cover, if any, shall cease.
- Such discontinuance charges shall not exceed the charges, stipulated in "Charges" section of this document and in compliance with clause 2(A)(vi)(c)(V) of Schedule-I of IRDAI (Insurance Products) Regulation, 2024 as amended from time to time. All such discontinued policies shall be provided a revival period of three years from date of first unpaid premium. On such discontinuance, the company will communicate the status of the policy, within three months of the first unpaid premium, to the policyholder and provide the option to revive the policy within the revival period of three years.
  - In case the policyholder opts to revive but does not revive the policy during the revival period, the proceeds of the discontinued policy fund shall be paid to the policyholder at the end of the revival period or lock-in period whichever is later. In respect of revival period ending after lock-in period, the policy will remain in discontinuance fund till the end of revival period. The Fund management charges of discontinued fund will be applicable during this period and no other charges will be applied.
  - In case the policyholder does not exercise the option as set out above, the policy shall continue without any risk cover and rider cover, if any, and the policy fund shall remain invested in the discontinuance fund. At the end of the lock-in period, the proceeds of the discontinuance fund shall be paid to the policyholder and the policy shall terminate.

- However, the policyholder has an option to surrender the policy anytime and proceeds of the discontinued policy shall be payable at the end of lock-in period or date of surrender whichever is later.

**In case of Single Premium policies,**

- c. The policyholder has an option to surrender any time during the lock-in period. Upon receipt of request for surrender, the fund value, after deducting the applicable discontinuance charges, shall be credited to the discontinued policy fund.
  - Such discontinuance charges shall not exceed the charges stipulated in “Charges” section of this document and in compliance with clause 2(A)(vi)(c)(V) of Schedule-I of IRDAI (Insurance Products) Regulation, 2024 as amended from time to time.
  - The policy shall continue to be invested in the discontinued policy fund and the proceeds from the discontinuance fund shall be paid at the end of lock-in period. Only fund management charge can be deducted from this fund during this period. Further, no risk cover shall be available on such policy during the discontinuance period.

The minimum guaranteed interest rate applicable to the ‘Discontinued Policy Fund’ shall be as per the prevailing regulations and is currently 4% p.a. The proceeds of the discontinued policy shall be refunded only upon completion of the lock-in period.

Proceeds of the discontinued policies means the fund value as on the date the policy was discontinued, after addition of interest computed at the interest rate stipulated as above.

**Discontinuance of the policy after lock-in period**

**For other than single premium policies,**

- a. Upon expiry of the grace period, in case of discontinuance of policy due to non-payment of premium after lock-in period, the policy shall be converted into a reduced paid up policy with the paid-up sum assured as stated under clause 4(B)(a)(2)(ii) of Schedule-I of IRDAI (Insurance Products) Regulations, 2024 i.e., original sum assured multiplied by a ratio of “total period for which premiums have already been paid” to the “maximum period for which premiums were originally payable” .The policy shall continue to be in reduced paid-up status without rider cover, if any. All charges as per terms and conditions of the policy shall be deducted during the revival period. However, the mortality charges shall be deducted based on the reduced paid up sum assured only.
- b. On such discontinuance, the company will communicate the status of the policy, within three months of the first unpaid premium, to the policyholder and provide the following options:
  - 1) To revive the policy within the revival period of three years, or
  - 2) To completely withdraw from the policy.
- c. In case the policyholder opts for (1) above but does not revive the policy during the revival period, the fund value shall be paid to the policyholder at the end of the revival period.
- d. In case the policyholder does not exercise any option as set out above, the policy shall continue to be in reduced paid up status. At the end of the revival period the proceeds of the policy fund shall be paid to the policyholder and the policy shall terminate.
- e. All charges as per terms and conditions of the policy may be deducted during the revival period.
- f. However, the policyholder has an option to surrender the policy anytime and proceeds of the policy fund shall be payable.

### **In case of Single Premium Policies,**

The policyholder has an option to surrender the policy any time. Upon receipt of request for surrender, the fund value as on date of surrender shall be payable.

### **B. Revival of Discontinued Policies**

You can revive a discontinued policy within three consecutive years from date of first unpaid premium, subject to payment of all due and unpaid premiums and our underwriting policy.

Revival of a Discontinued Policy during lock-in Period:

- a. You can revive the policy by restoring the risk cover, along with the investments made in the segregated funds as chosen by you, out of the discontinued fund, less the applicable charges as in sub-section (b)(ii) below, in accordance with the terms and conditions of the policy and Board Approved Underwriting Policy.
- b. At the time of revival:
  - all due and unpaid premiums which have not been paid shall be payable without charging any interest or fee.
  - policy administration charge and premium allocation charge as applicable during the discontinuance period shall be levied. Guarantee charges, if applicable during the discontinuance period, shall be deducted provided the guarantee continues to be applicable. No other charges shall be levied.
  - the discontinuance charges deducted at the time of discontinuance of the policy shall be added back to the fund.

### **Revival of a Discontinued Policy after lock-in Period:**

- a. You can revive the policy in accordance with Board approved Underwriting policy, the policy shall be revived restoring the original risk cover in accordance with the terms and conditions of the policy.
- b. At the time of revival:
  - All due and unpaid premiums under base plan which have not been paid shall be payable without charging any interest or fee. The policyholder also has the option to revive the rider.
  - Premium allocation charge as applicable shall be levied. The guarantee charges shall be deducted, if guarantee continues to be applicable.
  - No other charges shall be levied.

### **C. Surrender**

If you surrender during lock in period, your Fund Value less applicable charges will be moved to the Discontinued Policy Fund and the proceeds from Discontinued Policy Fund will be paid out on the completion of the lock-in period.

If you surrender after lock in period, your Fund Value will be paid out to you.

Upon payment of this benefit the policy terminates and no further benefits are payable. Please refer to the policy document for further details on Surrender.

## CHOOSE YOUR INVESTMENT FUNDS

## FLEXIBILITIES

### • **Switching:**

You can move your accumulated funds from one fund to another anytime.

### • **Premium Redirection:**

You can pay your future premiums into different funds as per your need. First 4 free premium redirections in any policy year are free of cost. Subsequent premium redirections will be charged. Unused free premium redirections cannot be carried forward.

### • **Top-Up Premiums:**

Any additional payments made by the policyholders on a voluntary basis besides contractual premium shall be considered as top-up premium and treated as single premium for the purpose of providing insurance cover.

The Policyholder has the option of paying Top-up premiums, subject to Board Approved Underwriting policy (BAUP) and the following conditions:

- a. Top-up premiums can be remitted to the insurer during the period of contract only, where due basic regular premiums are paid up to date and if expressly allowed in the terms and conditions of the policy.
- b. Top-up premiums once paid cannot be withdrawn from the fund for a period of 5 years from the date of payment of the 'Top-up' premium, except in case of complete surrender of the policy.
- c. Top-up premiums are not permitted during the last 5 years of the contract.

### • **Partial Withdrawal:**

You can withdraw money from your funds to meet any future financial emergencies. Lump sum partial withdrawals can be made from your funds after 5 complete policy years subject to the following conditions:

1. The Life Assured is at least 18 years of age.
2. Top-up premiums once paid cannot be withdrawn from the fund for a period of 5 years from the date of payment of the Top-up premium, except in case of complete surrender of the policy.
3. The minimum partial withdrawal amount is Rs. 10,000. This is subject to change from time to time.
4. The fund value after the partial withdrawal and any applicable charges (including applicable taxes and statutory levies, if any) is not less than the 150% of base annualized premium for limited and regular pay policies and 25% of single premium for Single Pay policies.
5. The partial withdrawals with respect to the fund values from the base premiums shall only be counted for the purpose of adjusting the sum assured to be payable on death. Partial withdrawals made from the top-up premiums shall not be deducted for this purpose.

6. The partial withdrawals to be deducted from the death benefit shall be all partial withdrawals (except from the top-up fund value) made during the two-year period immediately preceding the death of the Life Assured.

The partial withdrawals shall not be allowed which would result in termination of the policy.

• **Systematic Transfer Plan (STP)**

1. Policyholder can invest all or some part of his investment in a Source Fund and transfer a fixed amount in regular monthly instalments into any one of the remaining available Funds.
2. The transfer will be done in 12 equal instalments.
3. At the time of transfer, the required number of Units will be withdrawn from the fund chosen, at the applicable Unit value, and new Units will be allocated in the chosen destination fund.
4. The minimum transfer amount is Rs. 5,000.
5. The Systematic Transfer Plan will be regularly processed for the Policyholder till the Company is notified, through a written communication, to discontinue the same. Systematic Transfer Plan will not apply if the source Fund Value is less than the chosen transfer amount.
6. No additional charges apply on selecting Systematic Transfer Plan.

• **Systematic Withdrawal Plan (SWP):**

This partial withdrawal facility allows the policyholder to withdraw a pre-determined absolute amount from the fund at pre-determined intervals. Such withdrawals can be a percentage of the fund value or an absolute amount.

Following conditions shall apply on SWP:

- a. This facility can be opted at inception or any time during the policy term.
- b. The policyholder may modify or opt-out of the facility by notifying the Company at least 30-days prior to the policy anniversary. Policyholder may choose to opt-in again as per the requirements on a later date.
- c. It is allowed only after five policy anniversaries from the date of issuance of the policy.
- d. All conditions applicable for partial withdrawals will be applicable for SWP as well.

• **Settlement Option:**

Settlement Option can be availed either on death or on maturity, subject to the following conditions:

**Settlement option on maturity:**

- i. The policyholder has the option to take the fund value in periodical instalments over a settlement period which may extend to a maximum of 5 years.
- ii. The first instalment under settlement option will be payable on the date of maturity.
- iii. During the settlement period the units will be redeemed systematically. Units as of maturity date will be redeemed in 60 monthly instalments beginning from the maturity date. The proportion of units redeemed per instalment shall be the number of units available at instalment payout date divided by the number of outstanding instalments.
- iv. The Fund Value at Maturity is greater than or equal to Rs 1 Lakh.
- v. In case of settlement period after maturity, the risk cover shall be maintained at 105% of the total premiums paid. Accordingly, mortality charges will be deducted.
- vi. The charges levied on the fund during settlement period are the fund management charge, switching charge and mortality charges if any. The company will not levy any other charges.
- vii. Switches will be allowed during the settlement period. Partial withdrawals shall not be allowed during the settlement period.
- viii. During the settlement period, the policyholder shall have an option to withdraw the entire fund value at any time without levying any charge.

- ix. The inherent risk being borne by the policyholder during the period and shall be explicitly understood by the policyholder.

**Settlement option on death:**

- In case of death of the Life Assured during the Policy term, the nominee will have the option to receive the Death Benefit in instalments (payable yearly, half yearly, quarterly or monthly) spread over a maximum period of five (5) years
- The Death Benefit will be unitized in the same Fund(s) and in the same proportion as on the date of intimation of death. However, the nominee has the option to switch fund(s)
- The amount paid out to Nominee in each instalment will be the outstanding Fund Value and Top Up Premium Fund Value, if any, as at that instalment date divided by the number of outstanding instalments.
- The first instalment of the Death Benefit will be calculated basis NAV as on the date of intimation of death.
- Instalment payment will be made by redeeming units from the Fund(s) at the unit price applicable on the instalment date
- Investment risk during the settlement period will be borne by the nominee
- No partial withdrawals (Non-systematic and Systematic) are allowed during the settlement period
- Fund switches are allowed during the settlement period. Switching charges (if any) will be applicable.
- Fund management charge shall be applicable during the settlement period
- The nominee will have an option to withdraw the Fund Value completely, anytime during the settlement period. The Fund Value will be calculated as the total number of outstanding units in the Policy multiplied by the unit price as on date of complete withdrawal.

In addition, only if you request for partial withdrawal, fund switch and premium redirection following charges will be charged on such requests

- **Partial withdrawal charge:**

The maximum partial withdrawal charge shall be Rs.500/- per transaction.

There are 4 free partial withdrawals in each policy year. Subsequent partial withdrawals, if any, will attract a charge of Rs 250 per request or a reduced charge of Rs 25 per request if executed through the company's web portal. This will be levied on the unit fund at the time of part withdrawal of the fund during the contract period.

- **Switching charge:**

The charge per switch shall be levied at the time of executing the switch. The maximum switching charge shall be Rs.500 per switch.

There are 4 free switches in each policy year. Subsequent switches, if any, will attract a charge of Rs 250 per request or a reduced charge of Rs 25 per request if executed through the company's web portal. This charge will be levied on switching of monies from one fund to another available fund within the product. The charge per each switch will be levied at the time of effecting the switch.

- **Miscellaneous Charge:** This is a charge levied for any alterations within the contract, such as increase in sum assured, premium redirection, change in Policy term etc. This charge shall be levied by cancellation of units. The charge may be increased subject to a cap of Rs 500 as per IRDAI (Insurance Products) Regulations, 2024.

- **Premium Redirection Charge:** There are 4 free premium redirections in each policy year. Subsequent premium redirections, if any, will attract a charge of Rs 250 per request or a reduced charge of Rs 25 per request if executed through the company's web portal.

All the above charges except for Mortality charge are subject to revision upto the maximum allowable as per applicable regulation with prior approval of IRDAI.

**Taxes & Applicable Levies:** As per the current Tax Laws, Goods & Services Tax & other statutory levies are applicable. Any other indirect tax or statutory levy becoming applicable in future may become payable by you by any method we deem appropriate including by levy of an additional monetary amount in addition to the premium; cancellation of units or from the unit fund.

## TERMS & CONDITIONS

We recommend that you read and understand this product brochure & customised benefit illustration and understand what the plan is, how it works and the risks involved before you purchase.

### A. Risk Factors:

**In this policy, the investment risk in the investment portfolio is borne by the policyholder.**

- Unit linked insurance products are different from the traditional insurance products and are subject to the risk factors.
- The premiums paid in Unit Linked Insurance policies are subject to investment risks associated with capital markets and the NAVs of the units may go up or down based on the performance of funds and factors influencing the capital market and the insured is responsible for his/her decisions.
- HDFC Life Insurance Company Limited is only the name of the Life Insurance Company and "HDFC Life Click 2 Invest Plus" is only the name of the Unit Linked Insurance contract and does not in any way indicate the quality of the contract, its future prospects or returns.
- Please know the associated risks and the applicable charges, from your insurance agent or the intermediary or policy document issued by insurance company.
- The various funds offered under this contract are the names of the funds and do not in any way indicate the quality of these plans, their future prospects and returns.

### B. Net Asset Value (NAV):

We will set the NAV of a fund as per the IRDAI's guidelines. The NAV of Unit Linked Funds shall be computed as:

$$\text{NAV} = \frac{\text{Market Value of investment held by the Fund} + \text{value of current assets} - \text{(value of current liabilities and provisions if any)}}{\text{Number of Units existing on the valuation date (before creation or redemption of Units)}}$$

We round the resulting price to the nearest Re. 0.0001. This price will be daily published on our website and the Life Insurance Council Website. Units shall only be allocated on the day the proposal is accepted and results into a policy by adjustment of application money towards premium. The premium will be adjusted on the due date even if it has been received in advance and the status of the premium received in advance shall be communicated to you.

### C. Suicide Exclusion:

In case of death due to suicide within 12 months from the date of commencement of the policy or from the date of revival of the policy, as applicable, the nominee or the beneficiary of the policyholder shall be entitled to the fund value, as available on the date of intimation of death. Further any charges other than Fund Management Charges (FMC) and guarantee charges recovered subsequent to the date of death shall be added back to the fund value as available on the date of intimation of death.

### D. Tax Benefits

Tax Benefits may be available as per prevailing tax laws. You are requested to consult your tax advisor. Tax laws are subject to change from time to time.

### E. Cancellation in the Free-Look period:

In case you are not agreeable to the any of the policy terms and conditions, you have the option of returning the policy to us stating the reasons thereof, within 30 days from the date of receipt of the policy. On receipt of your letter along with the original policy document (original Policy Document is not required for policies in dematerialised or where Policy is issued only in electronic form), we shall arrange to refund you the value of units allocated to you on the date of receipt of request plus the unallocated part of the premium plus charges levied by cancellation of units, subject to deduction of the proportionate risk premium for the period on cover, the expenses incurred by us on medical examination (if any) and stamp duty Charges.

- The policyholder of a life insurance on his own life may nominate a person or persons to whom money secured by the policy shall be paid in the event of his death.
- Where the nominee is a minor, the policyholder may appoint any person to receive the money secured by the policy in the event of policyholder's death during the minority of the nominee. The manner of appointment to be laid down by the insurer.
- Nomination can be made at any time before the maturity of the policy.
- Nomination may be incorporated in the text of the policy itself or may be endorsed on the policy communicated to the insurer and can be registered by the insurer in the records relating to the policy.
- Nomination can be cancelled or changed at any time before policy matures, by an endorsement or a further endorsement or a will as the case may be.
- A notice in writing of Change or Cancellation of nomination must be delivered to the

insurer for the insurer to be liable to such nominee. Otherwise, insurer will not be liable if a bonafide payment is made to the person named in the text of the policy or in the registered records of the insurer.

- vii. Fee to be paid to the insurer for registering change or cancellation of a nomination can be specified by the Authority through Regulations.
- viii. A transfer or assignment made in accordance with Section 38 shall automatically cancel the nomination except in case of assignment to the insurer or other transferee or assignee for purpose of loan or against security or its reassignment after repayment. In such case, the nomination will not get cancelled to the extent of insurer's or transferee's or assignee's interest in the policy. The nomination will get revived on repayment of the loan.
- ix. The provisions of Section 39 are not applicable to any life insurance policy to which Section 6 of Married Women's Property Act, 1874 applies or has at any time applied except where before or after Insurance Laws (Amendment) Act 2015, a nomination is made in favour of spouse or children or spouse and children whether or not on the face of the policy it is mentioned that it is made under Section 39. Where nomination is intended to be made to spouse or children or spouse and children under Section 6 of MWP Act, it should be specifically mentioned on the policy. In such a case only, the provisions of Section 39 will not apply.

**J. Assignment as per Section 38 of the Insurance Act 1938 as amended from time to time:**

- i. This policy may be transferred/assigned, wholly or in part, with or without consideration.
- ii. An Assignment may be effected in a policy by an endorsement upon the policy itself or by a separate instrument under notice to the Insurer.
- iii. The instrument of assignment should indicate the fact of transfer or assignment and the reasons for the assignment or transfer, antecedents of the assignee and terms on which assignment is made.
- iv. The assignment must be signed by the transferor or assignor or duly authorized agent and attested by at least one witness.
- v. The transfer or assignment shall not be operative as against an Insurer until a notice in writing of the transfer or assignment and either the said endorsement or instrument itself or copy there of certified to be correct by both transferor and transferee or their duly authorized agents have been delivered to the Insurer.
- vi. Fee to be paid for assignment or transfer can be specified by the Authority through Regulations.
- vii. On receipt of notice with fee, the Insurer should grant a written acknowledgement of receipt of notice. Such notice shall be conclusive evidence against the insurer of duly receiving the notice.
- viii. The Insurer may accept or decline to act upon any transfer or assignment or endorsement, if it has sufficient reasons to believe that it is (a) not bonafide or (b) not in the interest of the policyholder or (c) not in public interest or (d) is for the purpose of trading of the insurance policy.
- ix. In case of refusal to act upon the endorsement by the Insurer, any person aggrieved by the refusal may prefer a claim to IRDAI within 30 days of receipt of the refusal letter from the Insurer.

Section I (Nomination) and J (Assignment or Transfer) are simplified versions prepared for general information only and hence are not comprehensive. For full texts of these sections please refer to Section 38 and Section 39 of the Insurance Act, 1938 as amended by The Insurance Laws (Amendment) Act, 2015.

**K. Prohibition of Rebates: In accordance with Section 41 of the Insurance Act, 1938, as amended from time to time:**

- i. No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take out or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission

payable or any rebate of the premium shown on the policy, nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectuses or tables of the insurer.

- ii. Any person making default in complying with the provisions of this section shall be liable for a penalty which may extend to ten lakh rupees.

**L. Non-Disclosure: In accordance with Section 45 of the Insurance Act, 1938 as amended from time to time:**

- i. No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the policy, i.e., from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later.
- ii. A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground of fraud: Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision is based.
- iii. Notwithstanding anything contained in sub-section (2), no insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the mis-statement of or suppression of a material fact was true to the best of his knowledge and belief or that there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of a material fact are within the knowledge of the insurer: Provided that in case of fraud, the onus of disproving lies upon the beneficiaries, in case the policyholder is not alive.
- iv. A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued: Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision to repudiate the policy of life insurance is based: Provided further that in case of repudiation of the policy on the ground of misstatement or suppression of a material fact, and not on the ground of fraud, the premiums collected on the policy till the date of repudiation shall be paid to the insured or the legal representatives or nominees or assignees of the insured within a period of ninety days from the date of such repudiation.
- v. Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the Life Insured was incorrectly stated in the proposal.
