Other important benefits

Enhanced Protection through Riders

This plan offers options to increase protection level by opting for riders by paying extra premium. Riders can be added at the inception of the Policy or at policy anniversary during the policy term subject to terms and conditions of the riders and Board approved Underwriting Policy of the Company prevailing from time to time..

Policyholder can choose one or more riders from the riders available under the product. Any rider can be deleted from the policy at any policy anniversary by submitting a written request. Once deleted, a rider cannot be added again to the policy.

Following riders are available with the policy:

- **HDFC Life Critical Illness (4) or (25) Regular Pay (UIN: 101B018V01)**

In the unfortunate occurrence and diagnosis of any of the covered critical illnesses the rider sum assured in lump sum will be payable.

Either one of HDFC Life Critical Illness (4) Regular Pay or HDFC Life Critical Illness (25) regular Pay can be chosen.

- **HDFC Life Term Rider (UIN: 101B019V01)**

Death Benefit: In the unfortunate event of death, a lump sum amount equal to the Rider Sum Assured is paid and the rider cover ceases.

The nature of benefits and other features of the attached rider, if any shall be as per the terms and conditions of respective riders. The attached riders are independent to the base plan and the benefits applicable to rider option will be payable subject to occurrence of the events specified in the terms and conditions of respective riders.

A rider, if any, will not be offered if the term of the rider exceeds outstanding term under the base policy. Under any circumstance, rider sum assured of each rider cannot be more than the base policy sum assured on death. Total rider premium should not be more than 100% of the base premium.

For further rider details please refer to the respective rider brochure.

Taxes

Policyholder may be eligible for tax benefits as per prevailing tax laws:

- On the base premiums paid*
- On proceeds of the policy*
- On the premium paid towards riders*, if any

*The aforesaid tax benefits are subject to change in tax laws. We therefore urge the Policyholder to carefully analyze in consultation with his/her tax advisor the tax benefits/tax implications, if any that may arise on opting for this policy.

Terms and Conditions

- A. Grace Period:** Grace Period means the time from the due date for the payment of premium, without any penalty or late fee, during which time the policy is considered to be in-force with the risk cover without any interruption, as per the terms and conditions of the policy. The grace period for payment of premium shall be fifteen (15) days, where the policyholder pays the premium on a monthly basis; and 30 days in case of other applicable premium payment frequencies.
- B. Lapsation:** For Policies with Limited Premium Payment Term if at least first 2 full years' premiums have not been paid within the grace period, the policy will lapse on the date of expiry of grace period. The risk cover will cease and no benefits will be payable in case of Lapsed Policies. A single Premium Policy will never lapse.

You may revive your lapsed policy subject to conditions stated in Section D on Revival.

- C. Reduced Paid up:** For Policies with Limited Premium Payment Term if at least first 2 full years' premiums have been paid and further premiums are unpaid and the policy is not surrendered, the policy will acquire the status of reduced paid up on the date of expiry of grace period until the policy is revived for full benefits. Reduced paid-up value is not applicable for a single Premium Policy.

The benefits payable for a policy acquiring reduced paid-up status are reduced benefits and are as per the formula mentioned below:

Reduced Paid-Up Death Benefit:

It will be paid as lump sum on death of life assured during policy term and policy will terminate.

$$\text{Reduced Paid-up Death Benefit} = \frac{\text{Number of premiums paid}}{\text{Total number of premiums payable}} \times \text{Sum Assured on Death}$$

Reduced Paid-up Survival Benefit

Lump sum Variant: - Not applicable

Income Variant:

On survival of life assured during the policy term, a reduced Guaranteed Income is payable at the end of each policy anniversary commencing from the end of 8th, 10th and 12th policy year for 6, 8 and 10 Pay policies respectively and is payable till the end of policy term. Reduced paid-up survival benefit under income variant is calculated as per the formula given below

$$\frac{\text{Number of premiums paid}}{\text{Total number of premiums payable}} \times \text{Guaranteed Income}$$

Reduced Paid-up Maturity Benefit:

Lump sum Variant:

On survival of the Life Assured to the Policy Maturity Date and if the Policy is not surrendered, reduced paid up maturity benefit as a lump sum will be paid on Policy Maturity Date as per the formula given below:

$$\frac{\text{Number of premiums paid}}{\text{Total number of premiums payable}} \times \text{Maturity Benefit}$$

Income Variant:

On survival of the Life Assured to the Policy Maturity Date and if the policy is not surrendered, reduced paid up maturity benefit will be paid as a lump sum amount on policy maturity date. This amount will be equal to total premiums paid by the policyholder during policy term.

Where, total premiums paid means total of all the Premiums received, excluding any extra Premium, any rider premium and taxes.

A reduced paid-up Policy may be surrendered any time before Policy Maturity Date provided the Policy has not been terminated earlier.

D. Revival:

Policy can be revived during the policy term but within a period of five years from the date of first unpaid premium by submitting the proof of continued insurability to the satisfaction of the board approved underwriting policy and making the payment of all due premiums together with payment of late fees calculated at such interest rate as may be prevailing at the time of the payment.

The revival interest rate is set as Bank rate fixed by the 10 Year G-Sec Yield at the beginning of the year + 1%, rounded up to a multiple of 50 bps. The rate will be reviewed annually. The revival interest rate for the financial year 2022-23 is 9.5% p.a.

Any change in the basis of determination of interest rate for revivals shall be done only after prior approval of the Authority.

If needed the company may refer it to its medical examiner in deciding on revival of lapsed policy.

E. Surrender:

In order to honour unexpected commitments or needs, a Surrender option is available. A single premium Policy can be surrendered anytime during the Policy Term. For Limited Premium Payment Term, this policy can be surrendered if at least 2 full years' premiums are paid. The surrender benefits are payable immediately on surrender. All benefits under the policy shall automatically terminate upon payment of surrender benefit.

The surrender benefit is higher of the Special Surrender Value (SSV), if any or the Guaranteed Surrender Value (GSV). GSV and SSV are as follows:

Guaranteed Surrender Value (GSV):

For Limited Pay if at least 2 full years' Premiums have been paid, the Policy acquires a Guaranteed Surrender Value.

Guaranteed Surrender Value is calculated as following subject to the minimum value of zero:

- GSV factor multiplied by total premiums paid, excluding premium for extra mortality rating, less
- Survival Benefits already paid till date of surrender, if any.

The GSV factors increase with the policy duration and are provided in the table below:

Special Surrender Value (SSV): A single premium policy will acquire a special surrender value immediately at Policy inception. For Limited Premium Payment Term, if at least 2 full years' Premiums have been paid, the policy will acquire a Special Surrender Value.

SSV will be declared by Company from time to time subject to prior approval of IRDAI and is not guaranteed.

All benefits under the policy shall automatically terminate upon payment of Surrender Value.

F. Policy Loan:

Policyholder may avail loan under this policy anytime during the Policy Term for single Premium Policy and in case of Limited Premium Payment Term, at any time during the policy term if at least 2 full years' premiums have been paid,

the policyholder may obtain a loan on the sole security of the policy and on its proper assignment to the Company. The maximum loan amount that will be advanced at any one time or more than one time shall not exceed 80% of the available surrender value at that point of time and provided that the amount of the loan is not less than Rs.1,000.

The interest rate charged shall be determined by the Company from time to time. The loan interest rate is set as per 10 Year G-Sec Yield at the beginning of the year + 1.5%, rounded up to a multiple of 50 bps.

The rate will be reviewed annually. Any change to the basis of determination of interest rate can be made only after prior approval of the Authority.

All loans within the permissible limits will be the difference between maximum permissible loan amount and any outstanding loans including accumulated interest, if any. All outstanding loan and interest thereon shall be deducted from any benefits payable under this policy. The loan interest rate for the financial year 2022-23 is 9.5% p.a.

In case of other than In-Force or fully paid-up policies, if at any point of time, the outstanding loan along with outstanding accrued interest exceeds the surrender value payable under this policy, the company reserves the right to foreclose this policy, after giving intimation and reasonable opportunity to the policyholder to continue the policy.

G. Death Benefit for Minor Life Assured:

If age of the life assured is 12 years or more, the risk will commence immediately from the policy commencement date. If the age of life assured is less than 12 years, the risk will commence under the policy (that is full death benefit will become payable on death of life assured) on the last day of second policy year. If the age of life assured is less than 12 years and if the life assured dies before the last day of the second policy year, only the total premiums paid by the policyholder shall be returned and no other death benefit shall be paid.

H. Vesting for Minor Life Assured:

If the Policy is issued on the life of a minor, the policy will vest on him/her on his/her attainment of Age of majority and on such vesting; the Company will recognize him/her to be the holder of the Policy.

I. Free Look Period:

The Policyholder shall have a period of 15 days (30 days if the Policy is sourced through Distance Marketing#) from the date of receipt of the Policy Document to review the terms and conditions of this Policy and if policyholder disagree with any of the terms and conditions, he/she shall have the option to return the Policy to the Company stating the reasons for the cancellation upon which the Company shall return the Premium paid subject to deduction of a proportionate risk Premium for the period of insurance cover in addition to the expenses incurred on medical examination (if any) and the stamp duty charges All Benefits and rights under this Policy shall immediately stand terminated on the cancellation of the Policy.

#Distance Marketing includes every activity of solicitation (including lead generation) and sale of insurance products through the following modes: (i) voice mode, which includes telephone-calling (ii) short messaging service (SMS) (iii) electronic mode which includes e-mail, internet and interactive television (DTH) (iv) physical

mode which includes direct postal mail and newspaper and magazine inserts and (v) solicitation through any means of communication other than in person.

J. Suicide Exclusion:

In case of death of the Life Assured due to suicide within 12 months from the Date of Commencement of Risk under the Policy or from the date of Revival of the Policy, as applicable, the nominee/assignee or beneficiary of the policyholder shall be entitled to at least 80% of the Total Premiums Paid till the date of death or Surrender Value available as on the date of death whichever is higher, provided the policy is In Force.

K. Mode of Premium Payment:

You may choose to pay your premiums annually, half-yearly or monthly. The premium payment mode can be changed during the policy term upon receipt of your written request. However such change will become effective on the policy anniversary date. Following factors are applied to premium for the premium paying modes available:

Mode of Premium	Multiplicative Factor
Monthly	1
Half Yearly	5.86
Annual	11.50

In case the premium payment mode change is sought from annual to monthly mode, the annual premium shall be divided by Annual modal factor, that is 11.50, to calculate the monthly premium payable from effective policy anniversary date.

In case the premium payment mode change is sought from monthly to annual mode, the monthly premium shall be multiplied by Annual modal factor, that is 11.50, to calculate the Annual premium payable from effective policy anniversary date.

In case the premium payment mode change is sought from annual to half-yearly mode, the annual premium shall be divided by Annual modal factor, that is 11.50, and then multiplied by Half-Yearly modal factor, that is 5.86, to calculate the half-yearly premium payable from effective policy anniversary date.

In case the premium payment mode change is sought from half-yearly to annual mode, the half-yearly premium shall be divided by Half-Yearly modal factor, that is 5.86, and then multiplied by Annual Modal factor, that is 11.50, to calculate the annual premium payable from effective policy anniversary date.
