

YOUR POLICY AT A GLANCE

This is a document that will help you to understand the key features of this product and is not the policy document. In case of any discrepancy between this document and your policy document, the policy document will prevail over this document. **In this policy, the investment risk in investment portfolio is borne by the policyholder. The Linked Insurance products do not offer any liquidity during the first five years of the contract. The policyholders will not be able to surrender/withdraw the monies invested in Linked Insurance Products completely or partially till the end of fifth year.** Please note that this is a Unit Linked Pension Policy where a significant part of the benefits can only be taken in regular installments and not as a lump sum amount as per the applicable laws including but not limited to Income Tax Act 1961.
