HDFC Standard Life's certificate programme

The Economic Times, March 19, 2009

NEW DELHI: Insurance major HDFC Standard Life on Wednesday announced a three-month certificate programme in insurance and management in collaboration with education service provider Manipal Education. The course, which will be conducted at the Manipal Education campus at Bangalore, Hyderabad, Lucknow, Calcutta and Mumbai, includes a two-month classroom session and one month training at the insurer's offices. It will select, train, and groom talent from across the country to ensure a ready pool of insurance-trained sales professionals for the company, HDFC Standard Life said in a statement. "The programme is specially developed to cater to those individuals — MB As, experienced and fresh graduates — who are looking for a career in the insurance industry," HDFC Standard Life General Manager (HR) Sharad Gangal said in the company statement.
